Good afternoon parents and friends,

2015 has been a phenomenal success here at Kenthurst, ‘The School of Choice’.

100 years since our young lads landed at Gallipoli 2015 has been dedicated to our ANZAC’s and throughout the year the ‘Lest We Forget’ WW1 Commemorative Project has enabled our students to learn about many Kenthurst diggers and especially about those who attended our school. Mrs Eurell has worked tirelessly throughout the year to engage our students and to enter the Veteran Affairs ‘We Commemorate’ competition. Which we won!

Our outstanding Academic achievements have surpassed all previous years. Excellent NAPLAN results, ICAS awards in Distinctions for Science and Mathematics and students excelling in High School. Notably, Mei Lin, Dux of Galston High Year 7 and several other students receiving Academic Awards and for Music, Holly Hayes. Congratulations to all of our KPS students.

For the first time we presented two teams in Tournament of Minds, winning the Social Science section and going to the NSW State Finals, where we were awarded 2nd place Honours. Our Literacy team in their very first attempt received 2nd place Honours at Regional level which was an outstanding result.

At the Hawkesbury Eisteddfod we once again won the prestigious, Verse Speaking Champion School and received first and second places for all of our choirs.

In sport our school successfully participated in PSSA and participated in Athletics, Swimming, Cross Country Carnivals with once again outstanding results and good sportsmanship. That’s the Kenthurst way!

Our Stephanie Alexander kitchen project continues to flourish with a magnificent harvest of tomatoes, zucchinis, potatoes, sweet potatoes, basil and mint all ready to pick soon.

Today, Stage 3 peeled and baked kilos of potatoes for a Bake Off of a delicious potato bake. Yum! The photos say it all 😊

Our ‘Celebration of Learning’ was a wonderful success and we look forward to our Year 6 Graduation and Farewell on Friday 11th. The Farewell to Year 6 Tunnel will be held at 3.00pm on Wednesday 16th December, the last day for all students.

Students are to return on Thursday 28th January 2016 for a brand new year of exciting learning.
Holiday reading
During the Summer Vacation it is a wonderful time to spend time relaxing with your children reading a great book! Please enjoy this precious time. 😊

Learning to read is a complex process.

For children to read well, they need to develop a range of reading strategies. Reading and writing are closely connected. When children learn to read and write, they learn about how language is used for different purposes and different audiences.

Stage 1 - In Kindergarten to Year 2 children learn gradually to:
- understand that written text has meaning
- read literary texts such as stories, and factual texts that give information such as procedures, eg recipes, instructions
- recognise the letters of the alphabet and the sounds that they make
- use terms associated with books, such as author, illustrator, cover, title, page, contents, index, glossary
- predict what a text will be about using such things as cover, title, illustrations and photos
- read their own writing to others
- blend sounds to produce a word, eg `d-o-g'
- break words into syllables, eg teach/er
- recognise words, full stops, capital letters and spaces between words
- recognise a number of sight words
- use appropriate vocal pitch, intonation and pace when reading aloud
- talk about illustrations and diagrams, and how these add to the meaning in texts
- read silently for short periods of time.

Stage 2 - In Years 3 to 4 children learn gradually to:
- read and retell a variety of texts read and/or viewed
- use knowledge of letter patterns to read new texts
- break words into syllables
- `sound out' unfamiliar words
- correct mistakes in reading by pausing, rereading and/or reading on
- prepare, rehearse and read aloud stories, poems and scripted drama
- use appropriate pause and emphasis when reading aloud
- read and retell literary texts such as stories, folktales, traditional and contemporary fairytales
- adjust their reading strategies for different texts, eg read for pleasure, scan texts to find information
- make comparisons between the ways information is presented in TV documentaries, news bulletins, encyclopaedias and newsletters
- explore character and gender stereotyping in texts
- discuss point of view in texts
- make comparisons between what they are reading and their own personal experiences
- read silently for an extended period of time.
Stage 3 - In Years 5 to 6 children learn gradually to:

- read aloud using appropriate pitch, pause, emphasis and intonation
- read and view a wide variety of texts
- consider characters and events in texts from different characters' points of view
- identify patterns in factual texts, eg instructions, editorials and essays
- identify patterns in media texts such as newspaper articles, radio drama and soapies
- explore how technology shapes media texts such as talk-back radio, television news and newspaper articles
- discuss the role of advertising in shaping texts
- use strategies such as skimming and scanning to find information
- use self-correcting reading strategies such as rereading and reading on
- use library technologies such as subject, keyword author searches, data bases and CD-ROMs to locate resources
- evaluate information from different sources for accuracy and appropriateness for intended audience
- read silently for a sustained period of time.

Supporting your Child in Learning to Read

Reading should be enjoyable for you and your child. If your child becomes distressed or loses interest when reading at home, take a break from reading and try again later.

All children, regardless of age, like to be read to. Make a special time whenever possible for reading with your child away from interruptions. You can help your child in reading when you:

- show your child that you value reading by reading whenever you can
- provide a variety of texts for your child to read to you, eg stories, comics, poems, plays, cartoons, reference books, magazines, children's recipe books
- point out words on street signs, packets and labels
- encourage your child to predict what a book is about from the cover and illustrations
- reread favourite books
- talk about the different purposes for reading a picture book, a novel, a TV guide, a newspaper, a telephone directory, a recipe book, an encyclopaedia
- point out the different size and shape of words
- point out the first sound of a word and encourage your child to think of other words that begin with the same sound
- encourage your child to read books for enjoyment as well as for information
- praise your child when they are reading, eg "well done - that was a difficult word"
- encourage a positive attitude to books
- encourage your child to talk about characters and events in texts
- encourage your child to make sound effects for the characters and events
- ask your child to think of possible beginnings and endings for stories read and heard
- praise your child when they are reading
- `sound out' difficult words and/or give clues to the meaning of difficult words
- encourage your child to have a go at reading words that are unfamiliar
- ask your child to read on past the unknown word to gain clues from the rest of the sentence
- show your child how to find the meanings of unfamiliar words in dictionaries
- encourage your child to watch films and videos of books they have read
• talk about the ways in which a film version of a book compares with the print version
• encourage your child to borrow books from the library.

You may wish to purchase some books for Christmas; please have a LOOK on the next page. Great stocking fillers 😊

May I wish you and your families the special joys for this Festive Season. Peace and Goodwill to all. Let’s hope our world can be a better place, for our most precious gifts. Our children and our grandchildren.

Merry Christmas everyone and a Happy New Year.

Yours in quality education.

Caron Dodd
Principal

Congratulations to our new School Captains
Danielle, Lauren, Todd & Sam
The Children’s Book Council of Australia has pleasure in announcing THE 2015 BOOK OF THE YEAR AWARD WINNERS

### Book of the Year: Older Readers

**Winner**
- Zorn, Claire
  - The Protected
  - University of Queensland Press
  - 9780702250194

**Honour Books**
- Atkins, Clare
  - Nona & Me
  - Black Inc.
  - 9781863956895
- Sweeney, Diana
  - The Minnow
  - Text Publishing
  - 9781921182012

### Book of the Year: Younger Readers

**Winner**
- Gleeson, Libby (Illus: Blackwood, Freya)
  - The Cleo Stories: The Necklace and The Present
  - Allen & Unwin
  - 9781743315379

Finally, I would like to thank all the members of the P&C for their hard work and dedication this year and to all the parents for their support with the numerous fundraisers we have achieved. It has been an absolute pleasure to work so closely with Ms Dodd and staff to help provide many valued resources to the school including a new Smartboard and finance of the Reading Recovery Program.
Our first P&C meeting next year will by 2 March at 7pm in the Learning Centre. I look forward to seeing you there.

Have a wonderful holiday break!

SUMMER KIDS’ CAMPS
THE PERFECT CHRISTMAS GIFT

New friendships  Fun
Great value  Safe

Summer is all about having FUN in the great outdoors. There is no better way for kids to jam-pack their school holidays with adventure and excitement than by attending a Sport and Recreation Kids’ Camp.

Choose from day programs and residential camps to Duke of Edinburgh’s Award journeys. Activities include raft building, mountain biking, flying fox, giant swing, cookouts and more. With so many programs on offer, you’ll be sure to find a camp your kids will love.

Kids’ day camps start from $50. Residential camps include 24-hour supervision, accommodation, meals and activities, and many offer supervised transport to and from Central Station, Sydney.

HOLIDAY SWIM PROGRAM

Join our swimvac program – children participate in a swimming lesson every day for a week of the school holidays.
This program is great for beginners and those children wishing to build on their skills.
For more information or to book into the program call Carlile Swimming Cherrybrook on 9980 7822
The simplest way

...to provide cancer support at school.

Have you seen Cancer Council’s national resource for school staff yet?

*Cancer in the School Community* – a free resource to support schools through a cancer diagnosis.

Every cancer diagnosis has a ripple effect. This book explores how school staff can support a student, parent or colleague through all stages of cancer.

A copy has been mailed to every NSW school principal.

For additional copies for your school:
Phone 13 11 20, or go to cancerCouncil.com.au/cancer-in-schools

For more information visit www.eatttobeatit.com.au or join us at facebook.com/eatttobeatit

*The Eat It To Beat It program is supported by the Western Sydney Local Health District Live Life Well @ School Program.*
Nutrition Snippet

The simplest way
...to make tabbouleh.

Ingredients
1 cup cracked wheat (bulgar)
2 large ripe tomatoes, diced
1 small cucumber, diced
3 spring onions, finely sliced
1 bunch parsley, chopped
1 bunch mint, chopped
2 tbsp lemon juice
1 tbsp olive oil

Method
Cover the cracked wheat with water and soak for 15 minutes || Mix with remaining ingredients and serve chilled || Makes a great addition to your kids’ lunch box – add to sandwiches/wraps or send in a small container.

Tips
For best results, use flat leaf parsley when available. For a more substantial meal: add 425g can drained chickpeas; or serve with grilled fish or meat and flatbread.

For more information visit www.eatittobeatit.com.au
or join us at facebook.com/eatittobeatit

The Eat It To Beat It program is supported by the Western Sydney Local Health District Live Life Well @ School Program.

The simplest way

...to get your vitamin D!

Did you know:

- Our bodies make vitamin D when skin is exposed to sunlight?
- We need vitamin D as well as calcium to maintain good health, in particular to keep our bones and muscles fit and strong?
- Sun protection is required when UV levels are 3 and above?

Does sunscreen stop vitamin D?

- Sunscreen filters out most, but not all UV radiation.
- People who use sunscreen regularly (when UV levels are 3 and above) don’t have lower vitamin D levels than people who do not use sunscreen.

To help keep your kids safe, check your schools SunSmart status by heading to www.sunsmartnsw.com.au
Nutrition Snippet

The simplest way

...to add veg to a barbecue.

The weather is warming up and so are the backyard barbecues. But it need not be an entirely meat affair. Here are some ideas for adding healthy veg to the barbie:

**Kebabs** - capsicum, zucchini, eggplant and mushrooms work well. Add to pork, chicken or lamb.

**Chips** - slice potato or sweet potato, and grill on the hotplate.

**Salad** – grab some green leaves and toss in tomato, cucumber, carrot, beans, capsicum or whatever takes your fancy!

**Vegie sticks and dip** – chop up carrot, cucumber, and celery sticks to dip in yummy hummus, or an eggplant or beetroot dip.

For more information visit www.eatittobeatit.com.au or join us at facebook.com/eatittobeatit

The Eat It To Beat It program is supported by the Western Sydney Local Health District Live Life Well @ School Program.
The simplest way
…to pack a healthy lunch box.

Remember your daily target for fruit and vegies? Everyone should aim for 2 serves of fruit and 5 serves of vegies, every day. Sounds hard, but it’s easy if you include fruit and veg across the day…try these simple ideas:

- **Pack vegetable sticks** – try carrots, celery, capsicum and cucumber – with hummus and vegetable based dips (like pumpkin, beetroot, spinach or red bean)
- **Add a small 150g tin of baked beans** to your child’s lunch box.
- **Leftovers** are an exciting lunch box addition: try packing fried rice, vegie stir-fries or some vegie frittatas- they all taste great cold!
- **Make a fruit salad** – use whatever fruit you have in the house, children prefer small pieces of food.

For more information visit [www.eatittobeatit.com.au](http://www.eatittobeatit.com.au) or join us at [facebook.com/eatittobeatit](http://facebook.com/eatittobeatit)

The Eat It To Beat It program is supported by the Western Sydney Local Health District Live Life Well @ School Program.
