12 December 2013

Dear Parents/Caregivers

Next year students in Years 1-6 will return to school on Wednesday 29 January 2014. Our new Kindergarten students will start on Monday 3 February 2014.

To assist in the smooth transition into their new classes, teachers have put together a list of requirements for each stage next year. You might like to include these items as Christmas gifts or purchase them at the “back to school” sales in early January.

If you can ensure your child has all these requirements on their first day, then once classes are formed, no time need be wasted in organising and buying equipment.

Thank you
